KHS Band/Guard Volunteer Credit Form

Students and/or Parents will have the opportunity to volunteer at certain events to obtain credits towards their Band and Guard Dues throughout the year. Otherwise, students can receive volunteer credit hours towards scholarship programs like Bright Futures.

This Form is to help parents and students track their volunteer activities. Each volunteer activity must be signed off on by the supervising adult for the activity and the Director of Bands. If the volunteer credits will go towards Band and Color Guard Dues, a signature from an executive member of the Band Boosters board must also be obtained upon issuance of the credit to the student account.
